

Ward's Custom Microscope Slides

How to Request a Quote for Your Custom Slides Project

Contact us to request a quote for your Ward's Custom Slides. We'll work one-on-one with you to assess your needs and build your slides to your exact specifications.

Here's how it works:

1. Submit your quote request at wardsci.com/customslides
2. A Ward's Science microscope slides technician will review your request and complete a quote estimate
3. We'll email you promptly with your quoted price
4. Place your order online, by phone, fax, or email. Reference your personal quote number to place your order at your quoted price
5. You receive your slide(s) prepared according to your specifications, delivered promptly to your lab when you need them.

Determining Your Custom Slides Needs

To help us provide you with an accurate quote for your custom slides order, consider these questions before submitting a quote.

- Are you providing fixed or frozen (oriented in OCT-type mounting medium) tissue samples?
- Will you require Ward's Science to provide specimen material or tissue?
- Would you like your tissue samples dehydrated and embedded in wax?
- Would you like wax sections mounted on glass slides?
- Would you like your sections to be stained and covered?
- Would you like free-floating sections?
- Would you like mounted frozen sections?
- Are you providing wax blocks?
- Are you providing slides to scan?
